## ARTICLE VI

Space Rights LLC serves as administrative tool for private entities both natural and juridical to ensure interpretation of legislation favorable to private property rights for natural/juridical persons within the international framework governing Outer Space.

Space Rights LLC asserts herein an administrative property interest for the maintenance and preservation of all property, regardless of form, situated within the gravitational sphere of influence for Minor Planet 2003 SB 296 (160346), excluding the territorial surface/mineral subsurface of the celestial body, beginning immediately adjacent, and extending throughout the surrounding "Hill Sphere" in which the celestial body dominates the motion of particles.

Space Rights, LLC will undertake administrative tasks necessary for preservation of the asserted rights, establishing permanent records in official archives on county, state and federal levels and ensuring constructive public notice is satisfied via legal publication.

Maintaining domestic norms that developed for compliance with provisions of the 1967 Outer Space Treaty, Space Rights LLC will duly inform the competent national authority of execution of claim, to ensure that the Article VI requirement for authorization and continuing supervision of non-national entities is satisfied.
