NOTICE OF INTENT TO PRESERVE PROPERTY AND MINERAL INTEREST

NOTICE IS HEREBY GIVEN upon execution of this instrument, that Space Rights, LLC, a Wyoming Limited Liability Company (initial Filing ID #2018-000817899), through Common Amendment to Article VII to its Articles of Organization, do assert claim to property and mineral interest, regardless of form, situated upon the surface and subsurface of 2025 PN7, a near earth asteroid, for a period not to exceed 75 years, whose classification, physical parameters, and orbital elements are described in Exhibit A, attached hereto and incorporated herein by reference:

Space Rights, LLC will undertake administrative tasks necessary for preservation of the asserted rights. In the interest of obtaining a physical time stamp and initial publication documenting the execution of the claim herein, one or more of the following options may be utilized for this instrument: Recording with county level custodian of records, publication in state level adjudicated legal organs, registration as literary work with competent authority for intellectual property administration, consular notarization for foreign use.

All activities will be undertaken in a manner consistent with the 1967 Treaty on Principles Governing the Activities of States in the Exploration and Use of Outer Space, including the Moon and Other Celestial Bodies (henceforth, Outer Space Treaty, and in commencement with 51 U.S. Code § 51303 - "Asteroid resource and space resource rights." Space Rights, LLC will duly inform the competent national authority of execution of claim, to ensure that the Outer Space Treaty Article II principle of non-appropriation is upheld, and Article VI requirement for authorization and continuing supervision of non-national entities is satisfied.
